## SDSC MACMILLAN COFFEE MORNING

The students had a fantastic time having a brew and a slice of cake & pie for our Macmillan Coffee morning! Parents, Carers and Students took part in a variety of activities to raise money for Macmillan Cancer Support including paint a mug, guess the logo and decorating cupcakes.

There were prizes to be won for best designs and most logos found, with prizes including one of Mr O's Pork Pies. With your participation we managed to raise £ 161 for the charity. Thank you for everyone's support.

I am so frustrated! Normally when i go shopping everything is okay, people are really helpful and try their best to make me feel comfortable. However, I went shopping yesterday and i have never felt so humiliated in my life! I was shopping for a new outfit in Topshop as I was going for a night out with the girls. I found this beautiful red dress, it was a nice length and curve just above the knees. The sequins on the top of the dress were absolutely stunning almost like it had been made professionally.
